

Summer of Cycling Instructions for using the widget

The widget is a stand-alone application that can be embedded onto your website by copying the code below. Users can join the Summer of Cycling remotely by filling in the field on the widget on your site. It will also raise awareness of the campaign and highlight that you are actively supporting it as an organisation.

[You can see what the widget looks like by clicking this link](#)

Simply copy and paste the code below into the appropriate place on your website. The widget is in javascript/html:

```
<div id="soc-widget-container"><script language="javascript"
src="http://www.summerofcycling.net/assets/soc_widget.js"></script><a id="soc-widget-link"
href="http://www.summerofcycling.net">Summer of Cycling</a></div>
```

Please get in touch if you stumble across a problem. saddleup@summerofcycling.net
